

# Schooling for young people without german language skills aged **16 to 18 years\*** with residence in the district of Karlsruhe (VABO)

## – Online registration and contact persons –

For young people who are obliged to attend vocational school without german language skills, aged 16 - 18, and who reside in the Karlsruhe district, school attendance is provided in the VABO (pre-qualification year for work/profession with a focus on acquiring knowledge of German) type of school. To obtain a school place in a VABO, use the link or QR code of the central online registration platform. After registration, you will receive information as soon as admission to a school has been organized.
